## ***VICE PRESIDENT***

**Kevin Reynolds, BS RT(R)(CT)**

**Current Position:** Member-At-Large  
**Previous Positions:** MSRT President  
Chairman of the Board  
MSRT Vice-President  
Boston District President  
Boston District Vice-President  
Central District Treasurer

**Current Employment:** Memorial Hospital of Rhode Island

**Goals for the Office:** After participating on the District and State levels of the Massachusetts Society of Radiologic Technologist for many years, I would like to continue to serve the Technologists of Massachusetts as Vice President. As with the field of Radiology, the Society continues to grow in both size and technology. I feel that it is important to adapt to the changing needs of our members and make changes in our Society accordingly. I look forward to continuing the momentum we have started as well as improving the participation of our membership.

## ***TREASURER***

**Karl Ellison, RT(R)(ARRT)**

**Current Position:** Treasurer  
**Previous Positions:** "X-Ray Challenge" Committee  
Student Representative  
**Current Employment:** Mass General Hospital

**Goals for the Office:** As the MSRT is the organization that supports our profession, I'd like to continue on as your Treasurer. I enjoy managing our day-to-day finances, developing and implementing processes that ensure our financial security, writing articles and giving progress updates in our Bulletin. Having been Treasurer for other groups has given me the skill-set required to manage the financial health and stability of the MSRT. I hope you'll allow me to continue my progress, and to serve you in the coming year.

## ***SECRETARY***

**Bernadette Ruchwa, RT(R)(ARRT)**

**Current Position:** Secretary  
**Previous Positions:** MSRT Member-At-Large  
**Current Employment:** Mass General Hospital

**Goals for the Office:** I have served on the Board for two years now as Member-at-Large and as Secretary. I have been fortunate to serve with such a wonderful group of experienced and motivated people. I want to continue to serve the Society and bring forth questions, concerns, and suggestions from the membership to the Board. I have had the opportune experience to meet with and speak to many members about their expectations of the Society. It is my intention to represent these voices in the coming year beginning with attending RT in DC then continuing on serving as Secretary for your Society. Thank you for your votes.

## ***MEMBER-AT-LARGE***

**Linda Doucette, RT(R)**

**Current Position:** Regional Delegate  
X-Ray Challenge Coordinator  
**Previous Positions:** MSRT Student Representative  
**Current Employment:** Newton-Wellesley Hospital

**Goals for the Office:** I have been an active member of the MSRT for the past six years. This past year I served as a Regional Delegate coordinating the third annual ½ day seminar held at Newton-Wellesley Hospital. In addition, I have supported other 1/2 day seminars throughout the state. I continue to serve as the X-ray Challenge (Buzz bowl) Coordinator. I am pursuing the Member at Large position in the hopes to serve as a liaison between the general membership and the MSRT Executive Board.

## ***REGIONAL DELEGATE(1)***

**Lisa Fanning, M.Ed, RT(R)(CT)(ARRT)**

**Current Position:** Regional Delegate  
**Previous Positions:** Academic Committee Member  
**Current Employment:** Mass College of Pharmacy & Health Science

**Goals for the Office:** Over the past year I have been an active Regional Delegate and will like to continue being active with the society helping and planning half day seminars. I am the Radiography Program Director at Massachusetts College of Pharmacy and Health Science and successfully plan conferences for the college. I have been a technologist for 30 years and would love to continue serving the MSRT with new and exciting topics for our half day seminars.

## ***REGIONAL DELEGATE(2)***

**Patricia Willett, BS RT(R)(ARRT)**

**Current Position:** Not Currently Serving  
**Previous Positions:** Merrimack District and Boston District  
**Current Employment:** Northern Essex Community College

**Goals for the Office:** I have actively served the MSRT in both the Merrimack District and Boston District in years past. I look forward to working with members of the MSRT Executive Board in the upcoming year. I hope that by again being an active member of the MSRT board I will be able represent the membership and encourage others to share their talents and a little bit of their time in making a contribution to our profession.
