

MCPHS

MASSACHUSETTS COLLEGE *of* PHARMACY *and* HEALTH SCIENCES

Massachusetts College of Pharmacy and Health Sciences

Director - MRI Program and Assistant/Associate Professor - Radiologic Sciences

MCPHS is currently accepting applications for the position of Director - MRI Program and Assistant/Associate Professor - Radiologic Sciences at its Boston campus. The primary on-going responsibilities of the position are to provide day-to-day management of program matters, including faculty hiring, evaluation, and development; coordination and assessment of courses; and recommendation of budget actions.

Minimum qualifications: ARRT certification in MRI and a baccalaureate degree in a related field.

Preferred qualifications: a Master's or doctoral degree, prior teaching experience; experience with curriculum development, program design, and teaching of courses using a course management system. For candidates who do not hold a Master's or doctoral degree, the Master's degree must be achieved within four years.

MCPHS offers a competitive salary and excellent benefits. To apply for this position, visit www.mcphs.edu and click on JOBS@MCPHS. Please attach a cover letter, curriculum vitae or resume, and contact information for three professional references. Finalist candidates will be subject to a background check.

MCPHS is an equal opportunity employer. Applicants who would enrich the College's diversity are welcome to apply.
